# MESSAGE FROM THE MAYOR

Aloha! It is with great pleasure that I recognize the men and woman of the Kaua'i Police Department in their ongoing commitment to making Kaua'i a better, safer place to live and visit.

The people of Kaua'i are fortunate to have a police department that goes beyond law enforcement, and focuses on prevention, community service, educational outreach and charity work, including:

- More than doubling the amount of search warrants initiated from the previous year, leading to the recovery of countless illegal firearms, drugs, drug paraphernalia, stolen money and goods.
- Continuing advanced training opportunities, including hosting the FBI National Academy for a workshop tailored to senior law enforcement.
- Creation of the Fugitive Apprehension Strike Team, with the specific goal of capturing wanted individuals.
- Expanding the courses and opportunities offered to Kaua'i's youth through the Kaua'i Police Activities League.
- Increasing traffic enforcement efforts, which has led to the most number of traffic citations and fewest traffic fatalities on Kaua'i in recent history.

Our officers are truly public servants and I commend their dedication and commitment to serving our community and bettering the Kaua'i Police Department.

Bernard P. Carvalho, Jr.

# MESSAGE FROM THE CHIEF

Aloha,

Calendar 2015 goals were a continuation of several significant projects that impacted the health and welfare of our community. Activities at an international, national, and local level with respect to law enforcement challenges influenced our internal and external priorities.

1. The need to keep our roadways safe is a priority with this administration therefore, to reduce major traffic collisions and fatalities, increased driver education, enforcement citations, and arrests for driving under the influence were increased by 10% over the previous year. On an annual basis over 30,000 deaths occur nationwide on our roads. With increased enforcement efforts, risky behavior will be modified and hopefully, as a result, the number of traffic collisions will drop.
2. The Kauai Police Department continues to focus its resources on recruitment and retention because even at our maximum authorized strength of 161 sworn officers, we are still over 50 sworn officers short from recommended staffing levels based on the United States Department of Justice population to police officer ratios—while taking into consideration other factors such as increases in calls for service, population density growth, geographical separation of communities, and officer safety that relates to an uptick of violent crimes. It should be noted that KPD has not increased sworn positions in over 23 years, while service delivery requests and responses have increased by over 100%.
3. Openness is the hallmark of democracy, therefore to be as transparent as possible 8 community meetings were scheduled throughout the island to answer and address concerns of our community members. These meetings were in addition to other crime prevention, and informational meetings that are conducted throughout the year.
4. Attempts were made to acquire a modular building to accommodate our training programs. At this juncture, the project is on hold pending further developments. As liability becomes issues with regard to training, it is essential that KPD has its own training facility to accommodate the demands and expectations being placed on police officers, and its administration.

5. Over the past 5-10 years, hundreds of innocent men, women, and children were needlessly murdered by individuals who had mental health issues, but were still able to acquire assault weapons and other firearms. While the issue concerning challenges to the 2<sup>nd</sup> Amendment of our Constitution—the Right to bear arms—must be addressed, there is still a strong and immediate need to keep our community safe. With that in mind, KPD is reaching out to the Department of Education to provide active shooter response training and develop procedures if an incident should occur here on Kauai.

In closing I would like to thank the Kauai Police Commission, Mayor Bernard P. Carvalho Jr., employees of the Kauai Police Department, and finally the community of Kauai, for their continued support in keeping Kauai the safest county in the State of Hawaii.

# POWERS, DUTIES and FUNCTION

## CHIEF OF POLICE

---

The Chief of Police plans, organizes, staffs, directs and controls the personnel and resources of the department and administers the department in a manner consistent with the Charter of the County of Kaua`i and the laws of the State of Hawai`i.

The Chief of Police is responsible for the following:

- Preservation of the public peace
- Protection of rights of persons and property
- Prevention of crime
- Detection and arrest of offenders
- Enforcement of all State laws and County ordinances and all rules and regulations made pursuant thereto; and
- Service of processes and notices in criminal and civil proceedings.

The Chief is also responsible for training, equipping, maintaining, and supervising a force of police officers and necessary staff.

From time to time, the Chief of Police makes reports to the Police Commission as required. In addition, the Chief of Police submits an annual report to the Police Commission of the state of affairs and condition of the department.

## CRIMINAL INTELLIGENCE UNIT

---

The Criminal Intelligence Unit of the Kaua`i Police Department works directly under the Office of the Chief of Police.

The primary goal of the unit is to gather raw data related to organized crime activities in the County of Kauai and the State of Hawaii. Such activities involve gambling, prostitution, loan sharking, illegal drug distribution, counterfeiting, extortion, and corruption of law enforcement officers and public officials. The Unit then takes the raw data and creates an actionable intelligence product and disseminates the intelligence product to respected bureaus for further investigation. The unit also provides dignitary protection, monitors domestic and international terrorist activities and serves as a vital support group for other bureaus within the department.

Lieutenant Paul Applegate was responsible for directing, planning, and coordinating overall activities of the unit.

Sergeant Elliot Ke and Officer Alan Santella were tasked with overseeing field operations.

The Criminal Intelligence Unit is part of a statewide network of officers from various police departments and law enforcement agencies. Officers work collectively investigating, collating, and analyzing information regarding organized crime and other criminal elements.

# Administrative & Technical Bureau

# ADMINISTRATIVE and TECHNICAL BUREAU

Assistant Chief Robert Gausepohl was responsible for planning, directing, and coordinating activities within the Administrative and Technical Bureau for 2015.

The primary function of the Administrative & Technical (A&T) Bureau is to provide support services to other police units, by assisting them in meeting their own departmental objectives. Sections within A&T include: Fiscal and Personnel, Records, Training, ID Tech, Research and Development, and Community Relations. Additional services are provided in Telecommunications, Automated Fingerprint Identification System (AFIS), Evidence, Firearms, and Fleet Maintenance.

## FISCAL AND PERSONNEL

The fiscal section of the Administrative and Technical Bureau is staffed by Fiscal Officer Daurice Arruda, Personnel Assistant Vivian Akina, and Account Clerks Justin Faford and Brittany Kauai. The basic function of this section is to administer the department's fiscal program and the department's personnel matters.

This support section assists Administration in coordinating and developing the department's annual operational budget and provides technical support for all matters relating to accounting, purchasing, inventory, contracts, payroll and general fiscal management activities of the department. The Personnel Assistant plays a key role in assisting with the hiring process as part of an ongoing effort to fill vacancies.

Total expenditures for the year 2015 were \$30,425,718.54 compared to \$27,766,353.38 for the previous year. Salaries and salary related expenditures amounted to \$25,778,396.94 or 85% of total expenditures for the year.

The following chart depicts the department's sworn and civilian strength as of December 31, 2015.

	<b>Authorized</b>	<b>Actual</b>
<b>Appointed</b>	1	1
<b>Sworn</b>	155	149
<b>Civilian</b>	67	51
<b>Temporary</b>	4	2
<b>TOTAL</b>	233	203

In 2015, the Department hired seventeen (17) Police Services Officers, one (1) Police Evidence Custodian, a Secretary, and one (1) Accountant Trainee.

During the year, sixteen (16) employees separated from service: five (5) retirements, four (4) resignations, four (4) appointment terminations, two (2) short term appointment termination, and one (1) interdepartmental movement to the Department of Finance.

## **RESEARCH AND DEVELOPMENT**

---

The Research and Development Section consists of a Lieutenant and two Sergeants, one of whom is in charge of Community Relations. Lieutenant Roderick Green was in command of the section in 2015.

The section is responsible for procuring uniforms and equipment, assisting with department inventory, initiating and formulating contracts, coordinating physical examinations and urinalysis screening, establishing safety and health programs, obtaining funding through various grants, and participating in various community related service projects. In addition, the section also conducts project research, analyzes crime trends, and coordinates the department's written directive system.

The most critical role of the section continues to be the recruitment, hiring, and background investigations for both sworn and civilian employees. In 2015, continued efforts were made to streamline and enhance the hiring process.

The Research and Development section continues to explore ways to streamline and enhance the recruitment/hiring process, as we continue our goal of attracting and retaining the most qualified and best-suited applicants for the department.

## **COMMUNITY RELATIONS**

---

Community Relations Sergeant, Mike Nii assumed his position in June of 2015 before transferring to the Investigative Service Bureau. Lt. Green continued to handle community relations related activities.

Some of these activities included conducting station tours and presentations with various groups throughout the island, covering topics such as drug awareness, personal safety awareness, school safety and shop with a cop. Lt. Green also attended numerous career and recruitment fairs.

The Annual Special Olympics/Troy Barboza Torch Run, Cop on Top, and Kaua'i United Way drive were just some of the community events the section was involved with in 2015.

## **CITIZEN'S POLICE ACADEMY**

---

The Citizens Police Academy is an interactive program designed to educate the public about KPD policies and the criminal justice system. The CPA allows the police department and interested citizens of Kauai to share information and ideas in an interactive and positive setting, with the goal of

building relationships, increasing community involvement, and reducing crime on our island.

Classroom and field instruction cover a variety of subjects to give participants a brief overview of what it takes to be a police officer. Topics include: firearms; crime scenes; communications; police vehicles; report writing; domestic violence; and community policing.

Misconceptions, suspicions, and fear of law enforcement arise from a lack of understanding of police responsibilities. We can avoid these issues through education and information sharing, and building a better understanding of the work of police department personnel.

CPA participants meet three to four hours once a week, on a week night or a Saturday, for thirteen weeks. Most sessions are held at Lihue Headquarters. Participants also visit the Kipu Pistol Range and other locations as needed, including a police vehicle ride-along. There is no cost to join the Citizens Police Academy.

## **POLICE EXPLORERS**

---

As an Explorer, young adults and teenagers have the opportunity to assist the Kaua'i Police Department by assisting officers with traffic control and security at community events, participating in law enforcement training sessions and community-relations activities. Through these activities, Explorers broaden their understanding and firsthand knowledge of the challenges and job skills that make up their community's police service. In addition to gaining a working knowledge of police work, the participants have the opportunity to give of themselves to their community.

## **RECORDS, EVIDENCE, FIREARMS, CIVIL FINGERPRINTING, AFIS SECTION, LEGAL DOCUMENTS, STATISTICS & SEX OFFENDER REGISTRY**

---

Records Supervisor Eunice M. Apeles served as the overall supervisor for the department's Records Section, which includes Firearms Registration, AFIS, and Evidence. This section was staffed by Joni Y. Arakaki (Police Records Analyst), Allison K. Ageno (Police Report Reviewer), Brent Amoy (Police Evidence Custodian I) Kristal V. Nebre (Evidence Custodian), Mikalynn M. Hiranaka (Police Records Clerk), Clyde J. Letreta (Senior Clerk AFIS), Taytralyn J.N, Nuivo (Police Warrants Clerk), Jeaneth M. Panoy (Weapons Registration Clerk), Nancy A. Zoder , (Police Records Clerk)

One of the primary responsibilities of this section is maintaining records and services consistent with the Uniform Information Reporting Practices Act. Federal, State, and County laws, as well as departmental rules, regulations and policies.

Overall, the section is responsible for the following processes: Legal documents (warrants, subpoenas, summons, and TRO's), firearms registration and permits, evidence receiving and storage, civil employment fingerprinting services, insurance requests, report duplication, police and criminal record checks, for criminal conviction and sex offender registry inquiries, expungement orders, National Crime Information Center (NCIC) records management system data entry & maintenance, maintaining individual arrest records and all police reports filed with the department.

Another important responsibility of this section is ensuring evidence items are accounted for from initial receipt to final disposition, including maintaining proper chain of custody procedures when items are sent for testing or used during trial.

Clyde J. Letreta Senior Clerk (AFIS) helps identify suspects from latent fingerprints recovered at crime scenes. First-time and repeat offenders are processed and maintained in a statewide AFIS database. Clyde is also trained to run "Facial recognition Program" to identify suspects through security videos.

# PATROL SERVICES BUREAU

The Patrol Services Bureau has always been the “backbone” of the Kauaʻi Police Department, and without exception is the most crucial element of the entire organization. In terms of manpower, patrol is the largest of the three bureaus, with nearly two-thirds of the department’s sworn personnel comprising its ranks.

The Lihue District is the hub and main business & commercial district on the island. It encompasses the central, heavily populated region of Kaua'i, extending from Kapaa Town to the "Knudsen Gap" near Koloa. The larger population and higher concentration of businesses, government offices, transportation and special event venues typically equates to a greater caseload for Lihue officers.

The district continues to serve as a training ground for newly graduated recruits, who along with their Field Training Officers will be routinely assigned to the Lihue District sectors for increased case exposure.

Special Projects and Community events for the year included:

- The Annual Kaua'i Hospice Concert in the Sky

The Lihue District handles between 46-50 percent of all calls each month on the island. The Lihue District officers have high caseloads, which demand much of their time on duty with investigations and report writing. They're also counted on to conduct traffic enforcement, serve legal documents and monitor their areas of assignment.

## **COMMUNICATIONS/DISPATCH**

---

The Kaua'i Police Department Communications Center has 1 Dispatch Supervisor, 20 Full Time Dispatchers, 17 are County Positions and 3 are State Funded.

The Communications Section of the Kaua'i Police Department is where it all begins. Every call for service whether it be a 911 call or a non-emergency call

comes through the Communications Section for service. The Kaua'i Police Department's Communications Center is responsible for dispatching the entire County of Kaua'i, Police, Fire and Medics as well as other County Agencies after Hours.

Dispatchers go through 5 weeks of Classroom Training which includes 3 days of EMD (Emergency Medical Dispatch Training) upon completion the Dispatcher becomes certified in CPR. They also receive 8 weeks of on-the-job training with a DTO (Dispatch Training Officer).

The Communications Center is responsible for warrants and wanted persons checks via NCIC and is certified every two years.

Dispatchers hold a great deal of responsibility. They are the life link for every agency and person who they dispatch. In addition to all their duties, the dispatchers are also Emergency Medical Dispatch (EMD) certified. That means that they have the ability to give life saving instructions to the callers on the phone. Many lives have been saved because of the skill and abilities of the dispatchers. They are the First Responders. The Communications Center answers all 911 lines in the County of Kaua'i.

They deal with many different types of calls – some serious emergencies, others informational only. There is nothing that will throw a dispatcher into top gear faster than a screaming mom on the other end of the line saying her baby is not breathing, or a distraught wife who has found her husband unconscious. Every call that comes into the center is answered in a professional and skilled manner.

Every April of each year, during National Telecommunications Week, the Dispatchers are recognized for the unending work that they perform on a daily basis for the public.
